# Endobronchial Ultrasound Course 2015

Friday - Saturday, 27 – 28 February 2015  
Day 1: 9:00am – 4:30pm  
Day 2: 8:30am – 3:30pm  
Closing date: 13 February 2015

Organized by:

CANCELLATION POLICY

Any cancellation or replacement must be conveyed to the Organizer in writing. A cancellation charge of 50% of the fee will be levied if the cancellation is received before 13 February 2015. There will be no fee refund if the cancellation is made thereafter.

The Organizer reserves the right to cancel the workshop and fully refund the participants should unforeseen circumstances necessitate it.

## COURSE OBJECTIVES

This course is designed to offer a comprehensive overview of endobronchial ultrasound (EBUS). Presentations will address mediastinal anatomy and staging, and bronchoscopic approach to mediastinal adenopathy and lung nodules, A variety of hands on sessions utilising anatomical models, high fidelity electronic simulators and animal workshops with anaesthetised pigs, will enhance the participant's experience and develop the necessary skills for a successful procedure.

### DR TAN AIK HAU

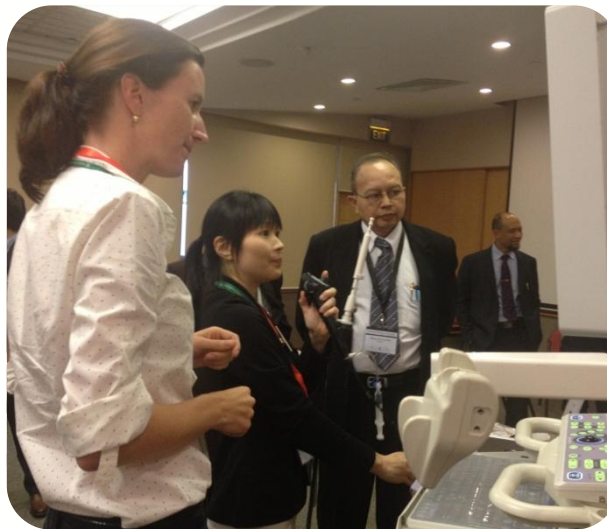

Course Director  
Consultant  
Dept of Respiratory & CCM
