MESSAGE FROM THE ORGANISING CHAIRPERSON

It is my great pleasure to welcome you to Malaysian Thoracic Society Annual Congress 2011. The Congress will be held in Shangri-La Hotel, Kuala Lumpur. With a fabulous location and superb scientific programme lined up, I am sure the congress will be able to cater for the continuous medical education needs of various groups of healthcare practitioners from respiratory and general physicians to family medicine specialists and general practitioners. We also welcome allied healthcare professionals who are pivotal in the delivery of healthcare excellence.

The MTS annual general meeting will also be held during the Congress. We welcome you to join our Society. Good news! MTS has a new category of membership called "Affiliate Membership" for non-doctors.

I hope to see you in Shangri-La Hotel in July 2011.

Thank you.

Associate Professor Dr Fauzi M Anshar
Organising Chairperson
MTS Annual Congress 2011
