2012

4th Malaysian International ORL-HNS Congress & Inaugural Asean Sleep Congress
28-30 JUNE

Dear colleagues, friends and ASEAN Sleep Congress participants,

On behalf of the ASEAN Sleep Congress Organising Committee, it is my pleasure to invite you to the Inaugural ASEAN Sleep Congress of the Malaysian Society of Otorhinolaryngologists Head & Neck Surgeons, in partnership with the Malaysian Thoracic Society, Malaysian Psychiatric Association, Malaysian Society of Neurosciences, The National Heart Association of Malaysia and The Malaysian Healthy Aging Society, which will be held in Kuala Lumpur, Malaysia, from 28-30 June 2012. The congress will be held in conjunction with the 4th International Congress of Malaysian Society of Otorhinolaryngologists Head & Neck Surgeons.

The congress convenes at the Kuala Lumpur Convention Centre, with accommodation at the Traders Hotel, adjacent to the convention centre. Should you choose to arrange your own accommodation, you have a good number of hotels to choose from within the KLCC area.

As in all our other meetings, the congress in 2012 will provide a basis for sharing visions and lessons learnt. We will do all that we can to provide a congress with a congenial environment for learning, sharing ideas and to hear and understand the latest developments in Otorhinolaryngology, sleep research and sleep medicine.

We look forward to welcoming you to Kuala Lumpur and the Inaugural ASEAN Sleep Congress 2012.
Selamat Datang.

Dr Jeevanan Jahendran
Organising Chairman ASEAN Sleep Congress 2012

Dr Yap Yoke Yeow
President MSO HNS

Organizing Committee of the 4th Malaysian International ORL-HNS Congress & Inaugural Asean Sleep Congress

THE PLENARY SPEAKERS

NARESH M. PUNJABI
PROFESSOR OF MEDICINE
Division of Pulmonary and Critical Care Medicine
Johns Hopkins University

CHRISTIAN GUILLEMINAULT
PROFESSOR OF PSYCHIATRY AND BEHAVIORAL
SCIENCES
Stanford Sleep Medicine Center
Honorary professor, Department of Otolaryngology,
Medical Sciences
School of the Capital University, Beijing

RADIN UMAR RADIN SOHADI
PROFESSOR OF TRAFFIC SAFETY ENGINEERING
Vice Chancellor of Universiti Putra Malaysia
Former Director General of Ministry of Higher Education
Former Director General of Malaysian Institute of Road
Safety Research

NARICHA CHIRAKALWASAN
PROFESSOR OF MEDICINE
Bumrungrad International Hospital, Bangkok

PETER J. CATALANO
CONSULTANT OTORHINOLARYNGOLOGIST
Vice President of Surgical Services,
Steward Health Care, St. Elizabeth's Medical Center
Brighton, MA

RAY WEISS
MANAGING PARTNER OF THE CEDAR LAKE
SURGERY CENTRE IN BILOXI, MS
MEDICAL DIRECTOR (GULF COAST) THE SNORING CENTRE
He founded the Sinuplasty Center of Excellence, and he
is also a co-founder of the Sinus Forum and the
Foundation for Innovation, Education and Research in
Otorhinolaryngology (FIERO)

SIMON ROBINSON
CONSULTANT RHINOLOGIST AND SKULL BASE
SURGEON
Wakefield Specialist Medical Centre
Wellington, New Zealand

PATRICK J BRADLEY
HUNTERIAN PROFESSOR
2007/08 Royal College of Surgeons, England
Professor of Medical and Social Sciences, Middlesex University, London
Professor of Head and Neck Oncologic Surgery,
The University of Nottingham
Consultant Otorhinolaryngologist / Head and Neck Oncologic Surgeon
University Hospitals Nottingham, Queens Medical Centre
Campus, Nottingham, England

DAVID J. TERRIS
CHAIRMAN OF OTOLARYNGOLOGY
Department of Otolaryngology, Developmental
Therapeutics;
Multidisciplinary Head and Neck Cancer Team
Georgia Health Sciences University

G. SPRINZL
VICE DIRECTOR
Clinic of Oto-Rhino-Laryngology
Medical University Innsbruck

2012

4th Malaysian International ORL-HNS Congress & Inaugural Asean Sleep Congress
28-30 JUNE**SLEEP PROGRAM****DAY ONE - 28 JUN 2012**

Topic	
Keynote	The Global Impact of Sleep Disorders
Symposium 1	<i>THE BASICS OF SLEEP</i> An Overview of Sleep Disorders The Anatomy & Physiology of Sleep When Sleep Goes Wrong - Social & Quality of Life Impact
Plenary 1	Towards an Integrated Practice of Sleep Medicine
Symposium 2	<i>MEDICAL CONDITIONS AND SLEEP</i> Metabolic Syndromes and Sleep Ischemic Heart Disease and Sleep Arrhythmias and Sleep Cardiac Failure and Sleep
Symposium 3	<i>PUBLIC HEALTH IMPACT OF SLEEP DISORDERS</i> Sleep and its Cognitive Impact Sleeping on The Wheel - Road Safety And Sleep Sleep Disorders - An Occupational Hazard Case & Panel Discussion

DAY TWO - 29 JUN 2012

Topic	
Plenary 2	Understanding OSA Occurrence and Developments Today
Symposium 4	<i>EVALUATION & DIAGNOSIS OF SLEEP DISORDERS</i> A Discerning Approach to Sleep Disorders Assessing Sleep-Breathing Disorders Assessing Non-Breathing Sleep Disorders Role of Sleep Tests and the Polysomogram
Symposium 5	<i>SLEEP-RELATED BREATHING DISORDERS</i> OSA/ UARS Obesity Hypoventilation Syndrome Sleep, Breathing and COPD: Cause & Effect Case & Panel Discussion
Plenary 3	Cancer and Sleep
Symposium 6	<i>NEUROLOGY & SLEEP</i> Neurodegenerative Disorders and Sleep Restless Leg and Periodic Limb Movement Syndromes Epilepsy and Sleep
Symposium 7	<i>SLEEP RHYTHM DISORDERS AND PSYCHOLOGICAL IMPACT OF SLEEP DISORDERS</i> Narcolepsy & Cataplexy Insomnia & Parasomnias Sleep and Depression Case & Panel Discussion

DAY THREE - 30 JUN 2012

Topic	
Plenary 4	Innovative Devices and Approaches to OSA
Symposium 8	<i>SURGICAL MANAGEMENT OF OSA</i> Perioperative Issues in OSA Multilevel Surgery for OSA Distraction Osteogenesis in OSA
Symposium 9	<i>NON-SURGICAL MANAGEMENT OF OSA</i> Role of Oro-Mandibular Devices CPAP Ventilation in OSA Optimising Compliance and Efficacy of Cpap Role of BIPAP in Sleep Disorders Case & Panel Discussion
Plenary 5	
Symposium 10	<i>SLEEP DISORDERS IN SPECIFIC GROUPS</i> OSA in Children: Risk Factors and Management OSA and Dento-Facial Structure in Asian Population Sleep Disorders in the Elderly

OTOLOGY PROGRAM

DAY ONE - 28 JUN 2012

Topic	
Symposium 1	MANAGEMENT OF OTITIS MEDIA
	Management of Chronic Discharging Ears
	Paediatric Myringoplasty
	Tympanoplasty
	Ossiculoplasty-Patient Selection & Technique
Symposium 2	CHOLESTEATOMA
	Paediatric Cholesteatoma - Canal Wall Up or Canal Wall Down?
	How I Do It
	Managing Complications
	Recurrent Disease / Revision Surgery
Symposium 3	FACIAL NERVE PALSY
	Classification and Management of Bell's Palsy
	Traumatic Facial Nerve Injury
	Facial Nerve Palsy: Surgical Decompression
	Static Reanimation
	Reanimation in Facial Palsy

DAY TWO - 29TH JUNE 2012

Topic	
INSTRUCTIONAL COURSE ON VERTIGO	
Overview	
Basic Anatomy and Physiology	
Understanding Nystagmus and Basic Eye Signs	
Peripheral Vestibular Disorders	
Central Vestibular Disorders	
Clinical Assessment of Vertigo	
Investigations for Vertigo	
Management of Vertigo-	
	• Particle Repositioning Procedure
	• Pharmacotherapy
	• Role of Surgery
	• Vestibular Rehabilitation
Clinical Assessment for Vertigo	
Home Therapy for Vertigo (Positional manouvres and Rehabilitation)	

DAY THREE - 30TH JUNE 2012

Topic	
Symposium 4	DEAFNESS AND HEARING IMPLANTS
	Screening for Deafness
	National Cochlear Implant Programme-Current Status
	Cochlear Implant in Difficult Cases
	Middle Ear Implants
	Totally Implantable Implants / New Devices
Symposium 5	LATERAL SKULL BASE SURGERY
	Management of Glomus Jugulare Tumors
	Enlarged Translabyrinthine Approach for Vestibular Schwannoma
	Non Surgical Management of Vestibular Schwannomas
	Managing Complications
	Temporal Bone Tumours
Symposium 6	OTITIS MEDIA WITH EFFUSION
	Burden of Disease
	Conservative vs Surgical Management
	Special Consideration-Down's Syndrome / Cleft Palate

2012

4th Malaysian International ORL-HNS Congress & Inaugural Asean Sleep Congress
28-30 JUNE**RHINOLOGY PROGRAM****DAY ONE - 28 JUN 2012****Topic**

ALLERGY - DO WE KNOW EVERYTHING ABOUT IT?

What is Allergy?

Allergy March and it's significant

Optimal Medical management of Allergy

Surgical role in Allergic Rhinitis?

Allergy: Immunotherapy replacing medical treatment?

Allergic rhinitis association with Sleep apnoea

Updates: Pediatric Allergic Rhinitis

The Pearls of having an ENT Allergy centre in your practice

Skin Prick Test: Do and Don't in ENT Clinic

Blood testing in Allergic Rhinitis: It's relevance and Importance

FORUM: Allergy Research

DAY TWO - 29 JUN 2012**Topic**

RHINOSINUSITIS: HEAD ON! & SURGERY: HOW I DO IT?

Etiology of Rhinosinusitis

Maximal medical therapy in CRS and nasal polyps

Dirty Polyps vs. Clean Polyps

Management of Pediatric sinusitis

EDCR

Endoscopic Septoplasty

Mini FESS for isolated maxillary sinus pathology

Frontal sinusitis

Management of inferior turbinates

Fungal sinusitis

What to do in ESS complications?

Management of encephalocoeles

FORUM: Rhinosinusitis : Ideal approach

DAY THREE - 30 JUN 2012**Topic**

ADVANCE TECHNIQUE IN RHINOLOGY – GEARING UP FOR THE FUTURE.

Nasal surgery for OSA

Endoscopic surgery of JNA tumors

Management of sinonasal inverted papilloma

Technical aspect of transnasal approach in Skull base surgery

Panel Discussion: Beyond Endoscopic Surgery.

Panel Discussion: What to prepare for Rhinology of the future?

LARYNGOLOGY HEAD & NECK SURGERY PROGRAM

SYMPOSIUM 1: COMMON HEAD AND NECK CANCERS I

Parapharyngeal Space And Infratemporal Fossa Tumour Approach
Total Glossectomy - A Necessary Evil?
Current Concepts In Oropharyngeal Cancer Management
TORS for the Developing World - Does Cost Justify the Advantages

SYMPOSIUM 2: COMMON HEAD AND NECK CANCERS

Recurrent Salivary Tumour Management - Tips and Tricks
Functional Outcome - Surgery Vs Radiochemotherapy
HPV Updates: Epidemiology, Markers and Detection, Impact on Management
Management Of Tumours Of Vascular Origin

SYMPOSIUM 3: COMMON HEAD AND NECK CANCERS

Partial Laryngectomy - How I Do It
Role Of Laser Surgery Expanded
Organ Preservation Protocol In Laryngeal Cancer - Indications and Pitfalls

SYMPOSIUM 4: CANCER DIAGNOSIS: ADVANCES IN INVESTIGATIONAL MODALITIES

Autofluorescence and/or NBI In Head and Neck Cancer Screening
Ultrasound Techniques In Head And Neck Masses
PET-CT In Head And Neck Cancers - Indications and Pitfalls
Histopathological Diagnosis - IHC and Beyond

SYMPOSIUM 5: HOW I DO IT (PART 1)

Partial Laryngectomy
Laser Surgery In Head and Neck Lesion
MiVAT
Localizing the Problematic Parathyroid Gland
Parathyroidectomy

SYMPOSIUM 6: HOW I DO IT (PART 2)

Parathyroidectomy
Retrosternal Goitres - Tips and Tricks
Perioperative Management Of Thyrotoxicosis and Thyroid Storm
Too Close For Comfort - Management Of Orbital Contents
Essential Techniques In Microvascular Surgery - for the Aspiring Surgeons

SYMPOSIUM 7: FORUM - DIFFICULT CASES

SYMPOSIUM 8: LARYNGOLOGY - WHAT'S NEW (PART 1)

Laryngeal Lumps and Bumps - Surgical Technique I
Laryngeal Lumps and Bumps - Surgical Techniques II
EMG Monitoring
Superior Laryngeal Nerve Palsy - Diagnosis and Management

SYMPOSIUM 9: MODERN ADVANCES

New Flaps In Head And Neck Reconstruction
Sentinel Lymph Node Biopsy - Current Status
EGFR - Targeted Therapy In Head and Neck Cancers
Cyberknife, Tomotherapy, IMRT, IGRT - Making Sense Of Modern Jargon
Pharyngo-oesophageal and Tracheal Reconstruction - What's New and Effective
Pain Control in Head and Neck Cancers
New Frontiers In Dysphagia Management

SYMPOSIUM 10: LARYNGOLOGY - WHAT'S NEW (PART 2)

Cricothyroid Approximation - How I Do It
Spasmodic Dysphonia - Medical Or Surgical
All About Voice (Neuro-laryngology)
Regenerative Medicine, Biomaterials, Stents In Airway Reconstruction
Laryngeal Reinnervation

2012

4th Malaysian International ORL-HNS Congress & Inaugural Asean Sleep Congress
28-30 JUNE**PRE-CONGRESS SLEEP WORKSHOP (26th & 27th JULY 2012)****DAY ONE - 26 JUN 2012**

What is Polysomnogram
 The Role of Polysomnographic Technologist
 CPSGT & RPSGT Blueprints
 Review of Sleep Equipment (Easmed)
 Introduction to CPAP
 Review and Hands-on Demos of PAP devices (Easmed)
 Clinical Guidelines to Manual PAP Titrations
 New Scoring Rules (Part 1)
 New Scoring Rules (Part 11)
 Computerized Scoring (Easmed / Sleep Asia)

DAY TWO - 27 JUN 2012

Polysomnographic Record Review
 Report Interpretations: What do these numbers mean?
 Math Computations
 Evaluating ENT Surgical Treatments for OSA
 Somnopharmacology
 The International 10-12 Electrocode Placement System for Sleep
 Head Measuring and Electrocode Placement Exercise
 Life Study Observation (Courtesy of EasMed)

POST CONGRESS FESS COURSE (1st & 2nd JULY 2012)**DAY ONE - 1 JULY 2012**

Welcome Speech by Senior ENT Consultant
 Opening Remarks by Post Congress: FESS course Chairman
 Forewords from Guest of Honor – "Sinus Disease – Looking into the crystal ball"

ALLERGY AND RHINOLOGY

Anatomical terminology and surgical anatomy in paranasal sinuses
 Clinical anatomy and pathology of the sinuses
 Radiographic anatomy of the sinuses – what to look for?
 Understanding inflammation in CRS and nasal polyps

BASIC ENDOSCOPIC SINONASAL SURGERY

Basic approach in ESS
 Step by Step in Basic FESS
 Preparation in FESS
 Avoiding bloody field in ESS
 The role of Image guided surgery
 How to do ESS safely with microdibrider
 Management of complication of ESS

ADVANCE ENDOSCOPIC SINONASAL SURGERY

Approach in frontal sinus surgery
 Managing the sphenoid approach : therapeutic and approach
 Managing complex disease in paranasal sinuses in ESS
 Orbital/Optic decompression and endoscopic removal of orbital tumors
 Wound Healing and concept in post ESS care
 Panel Discussions
 Research Discussion - ASEAN Multi-Center Research

DAY TWO - 2 JULY 2012**LIVE SURGERY**

Live Surgery
 Management of CSF leak
 Endoscopic management of epistaxis
 DCR updates
 Invasive Fungal Rhinosinusitis
 Case Report

2012

OPTIONAL TOURS

Tour 4: Malacca ~ The Early Days of the Malacca Sultanate "Crossroad of the World"

Malacca's Red Square

Tour code: MKZ04

Duration: 8.30 am – 6 pm

Malacca was founded by an exiled Prince from Sumatra named Parameswara. Merchants from China, India, Europe and Arab countries were all making port-of-call in this prosperous centre where silk, gold, tea, spice, opium, tobacco and countless of items changed hands.

The fame of this prosperous centre attracted powerful invaders and in year 1511 the Portuguese invaded and took control of Malacca, followed by the Dutch in 1641. As from 1826 it was ruled by the British East India Company in Calcutta and it was under the Japanese rule during World War II before it came under the control of the local government. Today, this once battered town shows its remnants left behind by each rule during its glorious days.

Tour visits:

Stadhuy's (Red Square), St Paul's Hill, Porta de Santiago, Taming Sari, Malacca river cruise, Jonker Street, Street of Harmony and Cheng Hoon Teng Temple.

Tour includes:

- Lunch at Baba Nyona Restaurant.
- Entrance to Taming Sari and Malacca River Cruise.
